Subject: S.B. No. 1094 - AN ACT BANNING LARGE CAPACITY AMMUNITION MAGAZINES
Members of the Judiciary Committee,

I am writing to you today to express my deep concern for the raised bill, S.B. No. 1094 - An Act Banning Large Capacity Ammunition Magazines. I urge you strongly to **OPPOSE** this particular Bill.

I sympathize with the recent events which occurred in Tucson, Arizona involving Representative Giffords, but it shouldn't be used as blanket indictment of law abiding gun owners. Bad people do bad things every day, with no regard whatsoever for the law. Anyone who thinks that passing a law making these magazines illegal will take them out of the hands of criminals fails to understand that what we really need is proper enforcement of the laws that are on the books already.

Additionally, and with the little knowledge I have of Constitutional Law, I believe there is a strong argument to say that this particular law as it is currently written probably violates 1 or more of the rights we are guaranteed under the United States Constitution.

Thanks for your time. Once again, I strongly urge you to **OPPOSE** S.B. No. 1094 - An Act Banning Large Capacity Ammunition Magazines.
